

TRAINING SESSION OUTLINE

Title of Session :

1. ICT tools use to enhance mobility experience and blended mobility (Wednesday 17th)

Time :

60 minutes approx.

Session objectives:

The aim is to review each centre's current ICT tools and have an outline and summarise them in a common document. Often when working with a partner or several partners, ICT tools are already shared. If not, which tools does the centre already use with their students and which ones could be useful to learn about?

Preparation by:

Adelaida,
Marta and
Yarilay

Nr of Facilitator

Adelaida and Marta

Nr of Participants:

20 participants
(4 mixed groups maximum)

Room requirements:

The room would need to be big enough for around 4 groups (mixed groups, if possible).

Training supplies and equipment:

whiteboard
laptops
flip stands
flip charts
2 different coloured markers per group to distinguish different points and to read easier
post is for individuals to write keywords

whiteboard or flipchart for facilitators to write the results or conclusions

Handouts:

Session description:
ICT tools use for enhance mobility experience and blended mobility

Time	Instruction	Materials
5 min. →	<ul style="list-style-type: none"> - introduction of the activity. 	
20 min → minutes (talk about tools used BEFORE, DURING AND AFTER MOBILITY) each school grouped together	<ul style="list-style-type: none"> - List the different ICT tools that students use currently at school and then give a description on each of them in order to have a clear idea of their real use. - Speaking from the school point of view, what ICT tools are used when the school interacts with the different partners and students. 	paper and colour markers
15 minutes	<ul style="list-style-type: none"> - Debate altogether on the different tools mentioned and explain something interesting about them and its use so that we all see its aim in a mobility project? 	

share ideas and debate	<ul style="list-style-type: none"> - Use MENTIMETER to have all the different ideas. CREATE A LINK!! 	laptops.
15 minutes	<ul style="list-style-type: none"> - Finally, write the useful tools gathered so far so that you can have a clear idea of the new tools that they can use in their future projects. - Share an Excel document where every idea is written (for example: tool and its use) CREATE AN EXCEL DOC!! 	flip chart stand 2 different coloured markers laptop

ICT TOOLS USED TO ENHANCE MOBILITY EXPERIENCE AND BLENDED MOBILITY

Project Reference:
2022-1-LT01-KA220-SCH-000089583

INTRODUCTION

- The aim of this training session is to value the importance of ICT tools in mobility.
- This activity may be useful to share our ICT tools knowledge and improve the mobility experience and blended mobility of students.

ICT

To

- make life easier when our students share information abroad in everyday life.
 - help our students learn more about other cultures, languages, acquire knowledge in an e-learning platform to motivate and engage students.
- allow to track students daily life abroad and get feedback from them on the spot.
- enhance how schools interact with students and mobility partners.
- as a learning tool in education (teaching and training).

In today's session...

Time: 15 minutes ; Material: Paper & markers needed

We would like you to :

- Group within your school team members.
- Think about the different ICT tools used by students immersed in a mobility programme and then, write the tool's name and a brief description of each of them in order of their real use.
- Assemble the different ICT tools into categories depending on whether they could be used before, during and after mobility.

Next...

(Time: 5 minutes)

- Then, using **MENTIMETER**, let's collect everyone's input on the screen to have a clear picture of the different ideas suggested.

Please, go to your [Mentimeter Link](#)
(Code:2372 3336)

Next...

(Time: 15 minutes)

Finally, we invite you all to write the useful tools that we have been sharing in the Excel below so that we can all have the ICT tools in the future.

Erasmus+ suitcase

Excel link: https://docs.google.com/spreadsheets/d/1A_iAanux3JwOtpOFZceq_w7eDAiLETQY0hYtuD_thDs/edit#gid=0

To conclude...

During the following 15 minutes, we would like all groups to :

Share ideas → in turns, exchange the different tools that every
has come up with and explain a specific interesting point about them in
to raise awareness about each Ict tool and why it is essential to be used in
mobility project and when.

Many thanks for your attention!

Dziękuję za uwagę!

Grazie per la vostra attenzione!

Ačiū už dėmesį!

Gràcies per la vostra atenció!

LIST OF ICT TOOLS (Kaunas International Gymnasium)	ITS USE
Google forms and documets	to create questionnaires, documents
Canva	to create visuals
Chat gpt - copilot (MS edge)	AI
Kahoot	To create test
Youtube	to upload and search for videos
MSG, instagram, viber, whats up, skype, discord	communication platforms
zoom, google meet, google teams	video conferences
live worksheets	create instantly corrected test online
collage maker	to create visuals
paint, animoto, pixelart	to create pictures
LIST OF ICT TOOLS (Liceo scientifico A. Righi Cesena)	ITS USE
Apple movies	Video Making
Google meet	Video call
Padlet	Survey
Whatsapp	Comunication
Googlemaps	Orientation
Naturalreader	Pronunciation
Chat GPT	Research
Wordrefernce	English translator
PPT, Prezi, Canva	Presentation/dissemination
Fb, Instangram, Tik tok	Dissemination
LIST OF ICT TOOLS (Liceum ETZ Chaim)	ITS USE
VSCO	photo editing
VR	to present school
genially	gamification
word wall	presenting ideas
canva edu	making presentations
discord	communication
tik tok	sharing experience
LIST OF ICT TOOLS (INS CAVALL BERNAT)	ITS USE
Video Recording	Recording the students' personal interviews.
Kahoot	To check knowledge about a country
QuizzizWord Wall	To check knowledge
Spinning Wheels	
whatsaap video	To have feedback from the student
Facetime	
Podcasts	Get feedback on what the student has done daily
Google forms	Follow-up process (after mobility

LIST OF ICT TOOLS (UNISER)	ITS USE
Zoom	Pre departure meeting
Google meet	Pre departure meeting
Padlet	Share ideas and information
Mirò	Brainstorming
Jamboard	Bulletting points
Canva	Pre departure presentation
Google slide	Pre departure presentation
Mentimeter	Energiser and collecting feedback
Kahoot	Energiser
Youtube	Energiser
Google form	Evaluation form
Whatsapp	Communication with students
Gmail	Communication with students
Actionbound	To make trasure hunt and guided tours
